To the Members of ABC-NABET Retirement Trust Plan:

Effective January 1, 2022, the Trustees have decided to transfer the administration of your plan from Fabian & Byrn to Zenith American Solutions®.

Zenith American Solutions and its predecessors have been providing benefit administration services for Taft-Hartley plans since 1944. Zenith is the nation's largest independent Taft-Hartley TPA (Third Party Administrator) with over 47 offices nationwide.

Zenith will focus on providing the technology and services for our members to receive the topflight service they deserve while the Plan receives the solutions needed in the increasingly complex retirement landscape.

The Plan will be administered out of Zenith's Pittsburgh service center with a team of dedicated representatives available to you in Pittsburgh and metropolitan New York.

Listed below are your primary contacts at Zenith and their contact info:
